## BORIS THE SPIDER

A Journal of Duplicitous Doings, Raw Power, and Naked Greed

### AVALONCON VI

Boris and Wayne Morrison ventured forth on Guest for a National Championship plaque at 0900 30 Jul and returned plaqueless 2130 7 Aug. Enroute we enjoyed the hospitality of TJ and DC Klausutis; Paul, Lisa, Michael, and Calvin Saunders; and Chuck, Gail, Ariel, and Stanley Hanna. We played 1856 with TJ (half a game) and with Chuck (to the bitter 3 AM end). STELLAR CONQUEST with Paul, and FAMILY BUSINESS with Paul and Lisa. At the Con we first shared a room with Mike Tsuk (who Jedi mindtricked me into losing a game of WE THE PEOPLE) for two days, then sallied off on our own. Mike won his 1830 heat, but finished just out of the money in the finals. Paul S. made the FLIGHT COMMANDER II finals but was shot down by a flying Frenchman. Wayne made the HISTORY OF THE WORLD semifinals. Boris finished in the money in SLAPSHOT (came in second in his qualifying section), and 8th in CIRCUS MAXIMUS (won his qualifying heat and then narrowly eked out 8th in a 16 chariot final). Boris and Wayne also 'raided' five game stores in the Manassas, Sterling, Baltimore, and Birmingham areas amassing more loot. New games introduced at the Con were GERONIMO! and EMPIRE OF THE RISING SUN. Most prevalent non-AH game at the Con (except maybe MAGIC: THE GATHERING, which was played some, but traded more) was a German title DIE SIEDLER, which is supposed to be a CIV-like game played on a MAGIC REALM-like board. It looked interesting; wish I'd managed to get into a game.

**ALTERNATE ALERT:** We need an 1830 standby for next month in case TJ gets lost in his doctoral project again.

### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** "Politics is more dangerous than war, for in war you are only killed once."

---Sir Winston Churchill

Don Del Grande now has two signed for plam KINGMAKER. He also has two openings for KREMLIN (Politburo: A.P.B.S(w), C.N.H.R(w). Candidates: E.K.L.M.V. Advanced Rules except D.E. and O) in Lemon Curry, starting now.

Kevin Wilson has been given permission from the copyright holder to duplicate rules and board for plam play of 4000 A.D. Anyone interested should contact him for a copy.

Brad Wilson, DIP's Muhammed Ali Pasha look-alike winner, is again sponsoring VERTIGO GAMES (oy! IX already). 1-4 Sep at 302 Friendship Dr. Paoli, PA. A better time than even AvalonCon. Meet the East Coast DIP clique. Game 'til you drop, then game some more. Sample the finest East Coast bottled brews, a hot tub, big-screen TV. See SUB LIST on p18 to contact Brad before the event; during the fun try (610) 352-7479. Boris made VERTIGO GAMES V and would've made everyone since had they been but 800 miles closer.

The Fall semester starts next week down here, so for those of you who are prone to phone, I'll be teaching until 9:20 PM + hrs each Tues and Thurs until early December.

Well, Boris the Spider didn't place in this year's Runestone Poll: we evidently didn't get the 10 votes needed to make the cut. Thanks to whichever of you responded. The overall vote was way down from last year, somewhat understandable after Cogniscenti's massive 'get out the vote' campaign last year and its hiatus since last AvalonCon.

And speaking of Cogniscenti, it is not dead, as some have alleged. I talked to Randy at AvalonCon and he says he's already got 40 or so pages already done.

### BOOS & KUDOS

**NOTE:** Beginning with #9, we will be awarding one free issue to the recipient of the Madame Bolduc Press Excellence Awards

This month's Madame Bolduc Press Excellence Award goes to Kevin Wilson for his Vienna Times article in "Borse IX".

The Ms Nar SuperSuday Bomb is lobbed upon the Bros Klausutis for NMRs.

**DEADLINE FOR MOST GAMES IS NOON (CDT) 9 SEP 95**

### KRONER SLIPS!

Fall 1914

**WALL STREET JOURNAL**--The tides of war have shifted. Austria's fortunes are beginning to ebb. England's momentum may be nearly spent. Russia's star is now ascendant. Yet the British Baltic fleets are not without their at

**MURKWOOD:** The Habsburg Empire is no more. The Romanov Empire will soon be joining it in "the dustbin of history" as it is caught between the irresistible German force and the immovable Turkish object. Italy's life expectancy also looks short now that England and Germany have apparently come to a *modus vivendi* and the full weight of the Royal Navy can be brought to bear upon her.

**CLIFFHOME**—Wormtongue has hastily, and inconspicuously, skedaddled out of Rome ahead of a massive Italian counterattack. Now with the recapture of BUL, he seems stalled out just two centers shy of victory. The Western defense stretches from STP to ION, looks secure, and indeed offers prospects of counteroffensives against BER and from ION. If a military solution cannot be forced, perhaps diplomatic means can be brought to bear upon the problem. Perhaps England could be turned if the proper coin could be found.

# EUROPE MOBILIZES!!

1X

Winter 1901/02

1995X

**CLEARWINE:** Europe's mobilization continues apace. Austria's fleet build signals a belligerence against Turkey while the Sultana's build of A ANK betrays a mistrust of the Tsar. England's F LPL is anti-French, while President Gorham's two new armies are likely to keep Kaiser Jack and Minister Fisher up late on their hot line. The Kaiser's own fleet build is perhaps as much a hedge against as it is a threat to perfidious Albion: a build in BER would have signaled uneasiness over the rapid growth of the Russian Bear. The Tsar seems to be looking westward along the Baltic. Italy's build is noncommittal, but will likely make the Sultana nervous nonetheless.

## EMBASSY BEAT

Italy today announced the return of the Roman Empire, returning classical civilization to the African continent. As of Nov 1901, TUN is now partnered with Italy, bringing trade, commerce, and all other benefits to both partners and Italy opens its arms to any other nations wanting to share the fruits of centuries of great civilization centered on the Med.

ROME to VIENNA: I believe we can come to a quick agreement. Rome looks east for a close friend in view of the dark war clouds to the northeast.

VIENNA to ROME: Let's give peace a chance. I have tried repeatedly to communicate with you and the previous king. Without communication, I must act to protect myself.

## BORIS WORLD PRESS REVIEW

*Vienna Imperial Times:* According to sources in the Palace, the Archduke is pleased with the change in governments in Italy. The new Italian Foreign Minister is an experienced diplomat and is expected to help relieve tensions along the border. In response to initial dispatches from the Italian Foreign Ministry threatening to "kick the crap out of [our] armies" General Chuck, head of the Imperial General Staff was overheard to say "Oh yeah, him and what army? If he comes our way, we'll murder 'em, we'll punch their lights out, put 'em uuuup, put 'em uuuup."

Chuck Hanna has the priority card for next stock round. Since I have experienced numerous computer difficulties in June and July (and still having troubles sending material via CServe), I will be willing to accept orders from T.J. if he sent them to me via computer. However, if T.J. has decided to pass on this game, I would like a volunteer to take-over his position for next stock round.

Willie the Pilgrim  
Amber Rose the Amazon  
Raki the Wizard  
Siplomo the Sorcerer (aka Misty)

Thorn of the Grotto, an Amazon

**ERRATA:** Siplomo converted only his MAGIC IV4\* chits to PURPLE, retaining his MAGIC IV3\* chits for other mayhem. Amber Rose is at BV2, not DV2. Willie and Thorn could slug it out.

## EVENING 1

Willie casts **SMALL BLESSING** on himself using his MAGIC I4\* chit and the Chapel's inherent **WHITE** magic (6+1.6 = Strength). Siplomo casts **MELT INTO MIST** upon himself using the alerted MAGIC VI6\* chit and a PURPLE 4\* chit.

## Day 2

MONSTER ROLL = 3

Willie @ Chapel: H(2+1.2 = y), H, M C11(impossible). Patrol arrives.  
Siplomo @ Inn: MAV1, MAV4, MOW5, MBV2.  
Amber Rose @ DV2: H(4.1 = y), M DV5, M CV1, M CV2, S(Loc: 5.1 = nothing).

Willie has no problem (3+1.2) with the Patrol.

**COMBAT:** Willie could fight the Patrol and/or the Order. Thorn could break concealment and attack the six-pack of wolves. Neither move would be smart.

Due next time are orders for Evening 2 and Day 1.
